Gospel Concert

On Wed evening the culmination of a six-week Gospel Music Project, produced a fantastic concert with students from Broughton Hall and Cardinal Heenan performing. Anu Omideyi from The Lighthouse Gospel Choir based in Anfield, has been working with students from both schools across the weeks and the final rehearsals brought both school choirs together.

Many parents / relatives of our choir students attended Wednesday's concert which was an amazing display of commitment and talent. Anu told staff and parents that she was able to develop complex harmonies with our students due to their outstanding abilities.

Several boys and girls gave amazing solo performances, and it was a joy to see all the students feel free to sing dance and express their talent. Music Teachers: Mr. Cotton from Cardinal Heenan and Ms Coyle from Broughton Hall have worked with Anu to bring the very best out of our students in both vocal performance and commitment to the project, Many thanks to them for all their hard work.

Weekly Prayer

Glory Be to the Father,
and to the Son, and to the Holy Spirit.
As it was in the beginning, is now,
and ever shall be, world without end.
Amen

Parent Survey Invitation – Behaviour

Dear Parents / Carers,

During the coming months, we will be reviewing our behaviour policy to ensure we continue to maintain the highest of standards and expectations for our pupils.

To ensure we're providing the best standard of education at Broughton Hall, we'd like to hear your views about this.

This will help us to:

- Identify what we're doing well and where we could do better with regards to behaviour.
- Decide which areas to prioritise when reviewing our policy.

In addition, over the next week your daughter will complete a PASS survey in computing (KS3) or during form time (Yr10/12). This will give her an opportunity to share her thoughts towards self, study and school. Staff have also been invited to share their views on our behaviour policy.

We know we are able to support your daughter best when school and home work together in partnership and thank you in advance for taking the time to complete this survey, contributing to any potential changes to our policy.

Please follow the link <https://forms.office.com/e/6dNtJhxWqg> or use the QR code below

Kind regards,

Mrs K Hayes
Deputy Head Teacher.

Adlib Industrial Event

On Wednesday 22nd January, students from years 9 and 11 took part in the Adlib Industrial Event in Knowsley. This event showcased a number of different jobs that exist in fields of music technology, cinematography and science.

This experience allowed students to envision their future careers and educated them on the journey of how to get there. Students listened and engaged with industry professionals and were truly inspired!

Thanks to Miss Coyle and Chaplain Phil for accompanying the students on this trip.

Job of the WEEK

An actuary is a business professional who deals with the measurement and management of risk and uncertainty

Health and Safety Awareness

The Year 10 Sport and Coaching Principles examination class recently completed a Health and Safety Awareness workshop as part of their course, aimed at enhancing their understanding of the responsibilities they hold as coaches.

The workshop focused on key areas such as risk assessment, injury prevention, proper use of equipment, emergency procedures, and safeguarding protocols. Participants learned practical strategies to create a safe training environment and how to respond effectively when presented with hazards.

Throughout the session, the coaches engaged actively with the content, asking thoughtful questions and participating in group discussions; shout out to Lois T for her contribution to class discussion. The workshop incorporated scenario-based exercises, allowing the pupils to apply their learning in practical settings. Their effort was evident in the way they demonstrated a clear understanding of how to mitigate risks and promote safety within their coaching practice.

The benefits of the workshop were immediately apparent, as the coaches not only gained a deeper understanding of their responsibilities but also demonstrated how to manage safety during training sessions. The session reinforced the importance of a proactive approach to health and safety, ultimately supporting the coaches' preparation for their upcoming PE assessment.

Harry Kessler Visit

This week the history department invited Holocaust Survivor Harry Kessler to speak with year 9 pupils and share his testimony with them. Year 9 have been studying the topic of the Holocaust in their history lessons. Harry was able to share with the year 9's how growing up in Vienna he was a young child when Hitler and the Nazis took over Austria. He and his family escaped to Czechoslovakia before eventually having to flee to England with the help of a family they met by chance. He described the challenges and losses his family members faced during the Holocaust. The year 9s were an excellent audience and gained valuable insight into a very important part of history.

SEND Intervention Spotlight

Lego Therapy is a small group intervention (groups of three), that was originally created to support people on the Autism Spectrum with social skills. As a department we believe that Lego Therapy extends beyond supporting neurodivergent students and can be of benefit to anyone.

Lego Therapy supports the development of social skills such as: clear and effective communication, listening skills, speaking skills, turn taking, sharing, patience, accepting other people's ideas and opinions, working co-operatively and collaboratively with others and being part of a team. Other skills that can be developed include problem solving, creativity, time management, fine motor skills, spatial awareness, managing emotions, building confidence, improved focus and concentration...and many more!

In Languages we are running a Spanish competition until February half term. "Vamos"!!

Well done, Spanish team!! So far BH is ranked 3rd in the School World Rankings, and Year 10 girls are absolutely smashing it!

A special shoutout to 10SP4 for earning an incredible 30,400 points and securing a spot in the top 10 of the class rankings!

The Spanish competition in Languagenut is open until the 14th of February, so there's still time to shine!

Lots of prizes and certificates will be distributed before the February half-term, so keep up the amazing work! Let's go, team. Vamoss!!
