Faith, Hope and Love

Faith, Hope and Love, has been our Reflection theme this week at Broughton Hall.

The Bible tells us that these three things will last forever—faith, hope, and love—and that the greatest of these is love. We live in a time when it seems there are artificial alternatives to so many things. We must never aspire for Faith, Hope or Love to be artificial. These are divine bedrock foundations for our spiritual life and we are Thankful to God for them.

Prayer May our Faith, although small be great in your hands Lord. May our Hope be rewarded as you bless our lives and may our Love come from you, that we may Love others more.

Last week staff and students supported a cake sale for Zoe's Place. Prior to Christmas we collected loose change in Form classes. The money raised from our gift jars was used to purchase cakes to sell at lunchtime. So far we have raised £153.00!

God Bless

Children's Mental Health Week

Broughton Hall Catholic High School is proud to support Children's Mental Health Week next week. The theme for this year is 'My Voice Matters' this theme was chosen to ensure that children and young people across the UK feel listened to, and know that they're not alone.

Every child has the right to express their views, feelings and wishes in all matters affecting them, and to have their views considered and taken seriously. Empowering children and young people can have a positive impact on their health and wellbeing. For example, children and young people who feel that their voices are heard – and that what they say makes a difference – have higher levels of self-efficacy and self-esteem. They also have a greater sense of community – and as people become empowered, they can work together to create positive changes for themselves and for others. This Children's Mental Health Week we want all children and young people, whoever they are, and wherever they are in the world, to be able to say – and believe – "My Voice Matters". Look out for our Children's Mental Health Week activities in school next week.
