'As always really happy with the support my daughter receives in this school'

'We would like to pass on our gratitude to the staff for the help in helping our daughter settle into school. The staff here do really care about our daughters'

Concerns:

'My granddaughter's attitude and standard of work has slipped' (This was dealt with on the day form tutor will monitor and inform home in 4 weeks to ensure attitude and standard of work has improved)

'The teacher we spoke to was temporary form teacher so they did not know my daughter that well'

'Form Tutor only covering so doesn't really know my daughter she tried to give best account but she did not really know my daughter '

(We will make parents/carers aware on arrival if regular form teacher is not available and if parents feel after review meeting they require more information they will be directed to Progress Manager or Director of Learning)

'Temporary Form Tutor had concerns about my daughter's progress' (this was dealt with on review day and Progress manager is dealing with concerns)

----- struggles with certain things and needs help to address these (Dealt with on Review Day Progress Tutor will meet with students and discuss strategies to help her deal with issues)
