

Dear Parent / Guardian

In response to parents contacting the school regarding additional support in Science that they themselves could offer, I am writing to inform you of some of the materials that may benefit your daughter as she prepares for her upcoming GCSE exams in Science. We continue to offer our weekly revision sessions on Wednesdays after school.

Tassomai

Tassomai is an intelligent learning program that helps GCSE students achieve outstanding exam results. Private subscriptions are available.

Tassomai is an online learning tool that parents subscribe to monthly. The website will email you directly to keep you informed of revision completed and areas to target.

Tassomai uses multiple choice style micro-quizzes to build knowledge, boost confidence and reduce exam stress.

There is a special offer running during September with a discount available (deadline 30th Sept). Additionally the company do offer a grade guarantee with a money back policy.

Useful Apps

BBC Bitesize Revision (free to download)

This is a free to download app that includes flashcards, mini quizzes and key info. The information is exam board specific and the content is of a high quality.

Science GCSE 9-1 Trilogy AQA – 3 app Bundle - £5.99

Developer: madebyeducators

Revision quizzes and key info for all AQA Trilogy units. Can be purchased through the app store.

Gojimo (free to download)

<http://www.gojimo.com/gcse-science-revision/>

It's never been so easy to get the grades you need! Stuck on your homework? Preparing for exams? We're here to help!

Gojimo is stuffed full of free content for whatever exam you're taking. Some paid content in this app.

GCSE Pod (free to download – can be accessed from School website)

This a programme that the school is a subscriber of, students can access the podcasts through their phones and revise on the move.

Exam Board Specific

In-depth online subject knowledge

Auto-identification of knowledge gaps

The Science department remain committed to achieving the best grades possible for your daughter and we appreciate your support in what can be a difficult year. We hope to be celebrating fantastic results with our students in August 2019.

Many thanks

J. Roberts

Director of Learning – Science
