Parental Comments from the evening (Positives)

'The school is excellently run from top to bottom. All teachers are a credit to their profession. When my daughter arrived from the Juniors the headteacher made a passionate speech, it stuck with me, the school is doing as it promised'

'Fabulous support and guidance in all areas. Thank you'

No problem, happy with school's performance'

Parental Comments from the evening (Areas for Improvement)

'I am not keen though on the emphasis on attendance and the reward scheme, it doesn't account for the fact that kids get sick and really shouldn't be in school, I kept my daughter off because she was sick and she got penalised by not being able to attend the reward, this doesn't seem fair'

(Attendance is very important for a student to make progress in school, therefore as a school we reward good attendance. We recognise that students can be sick and offer other reward trips for other things too)

'Very little guidance and information on up and coming GCSE's'

Hasn't had advice/guidance on careers/future courses yet'

'In Year 9 there is a scheduled programme of support to support students with their elective choices. This includes a PSHEE unit of work, careers fair and an opportunity to have an appointment with a careers advisor'
