16-19 BURSARY FUND 2019/2020

The Education Funding Agency (EFA) has introduced a Bursary Fund scheme. The aim of the fund is to support students who face genuine difficulties when continuing their studies.

The 16-19 Bursary Fund is a limited fund. It is administered by the school and granted at the discretion of the school. We will prioritise allocation according to personal circumstances and household income. The level of support which the school can offer is dependent on the total funding received from the EFA and the number of applicants it receives.
