

TRANSFORMATION TRUST

Year 10

YEAR 10 PUPILS PREPARING FOR THEIR FUTURES

A GROUP OF OUR YEAR 10 PUPILS HAVE BEEN WORKING WITH THE TRANSFORMATION TRUST AND LIVERPOOL JOHN MOORES UNIVERSITY TO GAIN SOME INSIGHT INTO UNIVERSITY LIFE.

THE PUPILS WORKED OVER SEVERAL WEEKS WITH STUDENT ADVOCATES FROM LJMU ON POSSIBILITIES FOR THEIR FUTURES.

HERE ARE SOME THINGS THE GIRLS HAD TO SAY ABOUT THE ADVOCATES:

Kate- “The student advocates were really helpful and enthusiastic”

Erin- “I loved the student advocates and thought it was interesting learning about the university”

Ellie- “The student advocates were really helpful and informative, and gave us all of the information we were curious about concerning university life.”

THE FINAL PROJECT WAS HELD AT LJMU, AND AFTER A TOUR OF THE UNIVERSITY OUR PUPILS HELD A DEBATE ABOUT SCHOOL UNIFORM.

THE AUDIENCE HAD TO VOTE FOR WHICH TEAM GAVE THE MOST CONVINCING ARGUMENT

Both teams spoke confidently and gave valid points that really made the audience think.

In the end the side arguing FOR school uniforms won.

78% of the audience agreed that schools are better with a uniform for its pupils.

**ALL OF THE PUPILS HAD A SUCCESSFUL DAY AND
WERE PRESENTED WITH CERTIFICATES FOR THEIR
ACHIEVEMENTS ON THE COURSE**

HERE IS WHAT SOME OF THE GIRLS HAD TO SAY ABOUT THEIR EXPERIENCE:

Kelsie- “I liked the fact that we experienced how to debate in a lecture room, it was an open space which I really adapted to. I really enjoyed the presentations.”

Mollie- “I've learnt so much about not only student life and different pathways open to us, but also, useful skills like team work.”

Sophie- “After this experience I feel that I now know a lot more about university, and am no longer worried about the aspects of this in my life after school.”

Daisy- “I have had a great day today learning new things, and I have been given a lot more information about university. I now feel more confident and less worried about life after Broughton Hall”

Olivia – “I have enjoyed today and I now feel informed about making important decisions about my future.”

WELL DONE GIRLS!
