Welcome to Broughton Hall. Most of you will already have been here for a visit before today, perhaps you recognise people and places. We know you will all be excited and looking forward to joining in September.

You will meet some of the people today who will be very important to you in September!

Enjoy your visit, and ask if you are unsure about anything. We hope you are beginning to feel an important part of our school.

INTRODUCTION

This booklet is for all girls coming to Broughton Hall Technology College in September. We hope it will answer many of the questions you have about the school and help you to find your way around.

New teachers, new lessons, new buildings, new friends, all these things will seem a little confusing to begin with. We are here to help, but you'll be amazed at how quickly you'll find your way around.

You may find that we do things differently at Broughton Hall. We are doing lots of work on how the brain works and different ways of learning. Some of the ideas might be new or even seem strange! Don't worry you'll soon find that learning can be fun and school is an exciting place to be.

Safeguarding

However you feel, someone is here for you.

Do you need to talk?

Are you fed up, lonely, worried, sad, angry, hurt, stressed, upset

If you can describe how you feel like any of these there are plenty of people to share your troubles with.

You can speak to Mrs O'Driscoll, Ms Connelly, Sue Reid or your Progress Tutor.

What parents think of Opening Minds

"My daughter is thoroughly enjoying 12 lessons of Opening Minds a week."

"OM has had a very positive impression on Transition."

ORGANISATION

This year we will have over 200 new pupils in year 7. Your Progress Manager, Ms Connolly, and your Student Support Manager, Ms Reid, will look after you, with the help of a team of Year 7 Progress Tutors.

You will be placed in one of 10 mixed ability form classes. The forms are grouped into 2 bands for organisational purposes. One band is called "B" band for Broughton and the other "H" band for Hall. There is no higher or lower band, they are both equal. Don't worry if you are not with your close friend, everyone soon makes new friends and you'll see each other at break and lunchtime.

- Navy blue socks only. (no bows attached)

Hair should not be an inappropriate colour, coloured streaks are not allowed.

- Shoes should be flat, plain and black (not brown!) ~ **boots, (covering ankles)** trainers or sandals are not allowed. Kickers shoes must have blue laces.

You will be challenged by staff if you fail to observe uniform rules and code of appearance.

EQUIPMENT

You need to bring your own pens, pencils etc to school each day and a hockey stick for P.E, which must be labelled.

Do not bring personal stereos/computer games, iPods, MP3 players or mobile phones to school as they will distract you and others from your work. They are also expensive to replace if you lose them.

If you bring any of these items into school they will be taken from you and your parents will have to collect them. Jewellery will be taken off you and only returned at the end of the school year in July.

EMERGENCIES

1. Lost? - Ask anyone passing for help.
2. Ill? - Tell your teacher or find Ms Reid or Ms Connolly.

IF YOU ARE TOO ILL TO COME TO SCHOOL

Please ask your parent or carer to phone school before 9.00am. The number is **228-3622**. If your parent or carer hasn't phoned, school will contact them. When you return to school you must bring a letter giving the dates and your reason for absence.

ASSEMBLIES

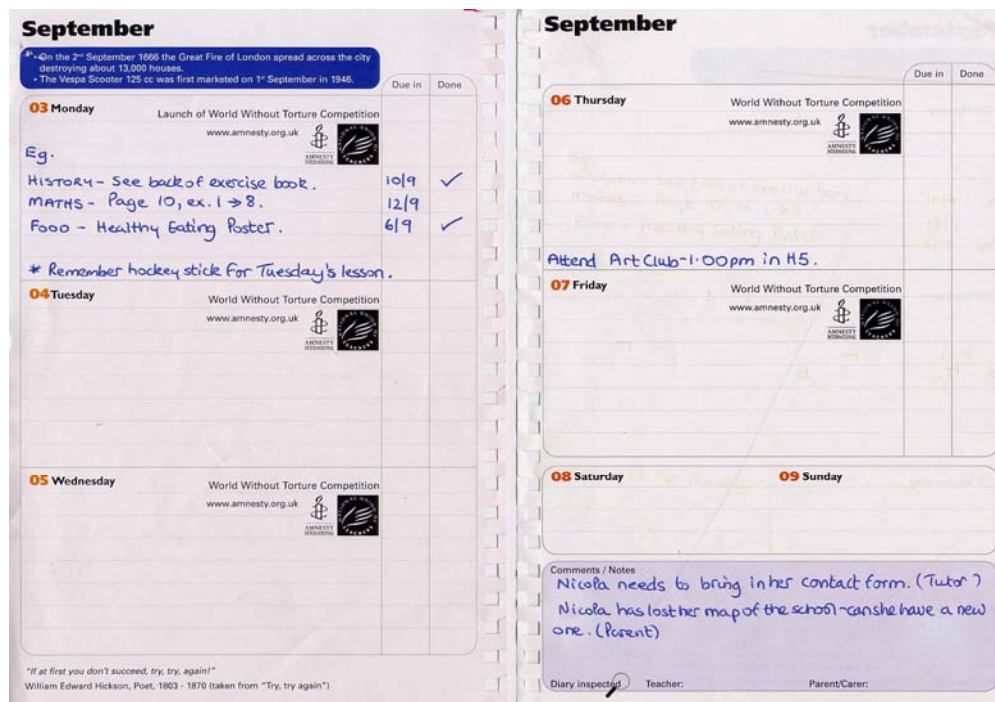

You will have an assembly every week with either Ms Connolly or a senior member of staff. Your Progress Tutor will tell you on which day and where it will take place.

ATTENDANCE AND PUNCTUALITY

You should aim for 100% attendance and punctuality every term. There are certificates and prizes for those who achieve this target. You will find it easier to cope with secondary school and make progress if you are here everyday.

HOMESTUDY AND PLANNERS.

You will get homestudy everyday. It will be from different subjects and may include a variety of activities. To help you organize your work you will be given a planner. Planning pages will look like this.

- You have a space for each day and boxes for different subjects.
- You have a space to write down when the work should be handed in.
- Every week you should ask your parents to sign it. They might wish to put a comment in the blank section.
- Your Progress Tutor will also sign it.
- Your planner will help you to be organised.
- You need your planner to get into lunch and to leave class either to go to the toilet or if you are sent on a message.
