#### Introduction

The Careers Education and Guidance Programme at Broughton Hall Catholic High School is an important means of motivating students to raise aspirations and attainment. Students have an entitlement to careers provision from Years 8 to 13. At Broughton Hall Catholic High School we extend that entitlement to include Year 7 pupils. The programme encourages students to see career development as a life-long process. Working in partnership with Careers Connect, Business In The Community, Liverpool Chamber of Commerce, parents, representatives from local businesses (including Barclays, Lloyds and DWF) and industry and higher education providers Broughton Hall aims to provide a high quality Careers Education and Guidance Programme for all students.
