symphony
math 
a foundation for understanding

Both **Lexia Reading** Programme and **Symphony Math** are available for your daughter to download from the app store onto her ipad, and phone.

She can also log in on a laptop at www.lexia.co.uk and www.symphonymath.com

Look for these logos on the app store download and aim to complete 30 mins per evening

Regular use will improve your daughter's Literacy and Numeracy skills and help her progress through the levels.

A letter outlining set up details and instructions will be sent out, or alternatively you can follow these quick links for easy set up.

Your daughter will also be provided with a card containing her personal log in details.
